INTERVIEW SUMMARY

The undersigned hereby makes of record discussions held with Examiner Alexander and his supervisor, Milton Cano.

A Final Action was mailed in this case on April 26, 2005. A complete response to the Final Action was mailed on August 24 and received by the Patent Office on August 29, 2005, putting the case into condition for allowance, according to the remarks made in the Final Action.

The undersigned called the Examiner on October 17, 2005 to inquire why no Notice of Allowance had yet been received and was told that the case was in further review, that nothing further needed to be done by Applicant and that the case would not be abandoned even if no Action were taken by the Office and no Notice of Appeal were filed by October 26, 2005.

On October 26 (today), the undersigned again spoke with the Examiner who said that the case was still in further review but there was no further activity to report. I then called the Examiner's supervisor, Mr. Cano, who stated the same things the Examiner had stated on October 17 and 26, 2005. Applicant awaits further Action by the Patent Office.
